EXAMINER'S COMMENT

1. The formal drawings were received on 10/10/2007. These drawings are accepted.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: in view of the decision made by the Board of Patent Appeals and Interference on 09/12/2007 and the After Final amendment filed on 7/27/2005, the prior art of record does not disclose the limitation of, (1) with reference to independent claim 1, wherein the second processor is capable of initiating the wireless communication independently of the first processor; and ...wherein the input port is configured to supply data to the second processor for the wireless communication; (2) with reference to independent claim 11, wherein the wireless subsystem is configured to initiate a wireless communication with the data from the user independent of the application subsystem and (3) with reference to independent 18, providing other data to a wireless subsystem from the user through the input port to initiate a wireless communication independent of the application subsystem, in combination with other recited limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
